District 6

To All Susquenango Members

What a difference a few weeks can make. Last month we were telling you about all the exciting and fun events we had planned and now our activities must be put on hold. Please notice, I didn't say cancelled. It's difficult to plan too far ahead, so I will just advise you of the most immediate events.

Our April Executive Committee meeting will be held online via a video conference. Details are being worked out and an email with instructions for accessing and participating in the meeting will be sent out as soon as the details are finalized. It will be

brief with officer's reports and any old and new business to be discussed. Even though this is an Executive Committee Meeting, as always, all members are welcome to attend. The meeting will be held on 15 April at 1900 (7:00 P.M.), our regular meeting day and time.

Our fun game night set for 17 April is cancelled and will be rescheduled.

On Saturday, 28 March, I joined the online District 6 meeting. D/Lt/C Tom Alley served as moderator with D/C Nancy Bieber, P, running the meeting. Reports were given and a Power Point presentation was shown as the individual officers spoke. This was a new experience for me. The complete minutes of the meeting are available at: https://susquenango.org/files/D-6_Spring_Conference_Minutes_Teleconference_2-2020.pdf Just click on the link or copy and paste in your browser.

For now I wish you all to stay healthy, happy and HOME! We are all in this together! And remember... "America's Boating Club... is YOUR Boating Club".
